Applicant's consent and declaration

You **must** fill in this section and must **not** alter it in any way.

Please read the following important information carefully then sign to confirm the statements below.

Important information about consent

As part of the investigation into your fitness to drive, we (Rugby Borough Council) may require your medical records to be referred to a suitably qualified medical advisor. If we do, the people involved will need your background medical details to carry out an appropriate assessment. We will only release information relevant to the assessment of your fitness to drive. In addition, where you are medically assessed as not meeting Group 2 but you want to have your application referred to a Licensing Sub-Committee for determination, your medical information will need to be available to the members. The Licensing Sub-Committee membership conforms strictly to the principle of confidentiality.

Consent and declaration

I authorise my doctor(s) and specialist(s) to release reports/medical information about any medical conditions relevant to my fitness to drive, to Rugby Borough Council's adviser.

I authorise Rugby Borough Council to disclose such relevant medical information as may be necessary to the investigation of my fitness to drive, to doctors, opticians/optometrists, members of Rugby Borough Council's Licensing Sub-Committee.

I declare that I have checked the details I have given on the form and that, to the best of my knowledge and belief, they are correct.

I understand that it is a criminal offence if I make false declaration to obtain a licence which can lead to prosecution.
