

Private Hire Vehicle Additional Conditions (Limousine)

These additional conditions are attached to the licenses issued by the Rugby Borough Council under Section 48 of the Local Government (Miscellaneous Provisions) Act 1976 ("the 1976 Act") in relation to limousines and special event vehicles.

For the purpose of licensing a limousine is described as a luxurious vehicle that has been stretched by the insertion of an additional section not exceeding 3048 millimeters to extend the length of the vehicle.

Rugby Borough Council has carefully considered the following conditions and has decided that they are reasonably necessary.

The license holder (the owner of the vehicle) must meet all the conditions of this license, including those for private hire vehicles generally. Breach of the conditions may lead to the immediate suspension of the vehicle and consideration of revocation of the license or prosecution or penalty points.

The additional conditions attached to the license are as follows:

1. The vehicle will be presented for, and successfully complete, a garage test at the Work Service Unit testing station or an alternative location authorised by the Authority every 6 months.
2. The vehicle will be licensed for a maximum number of 8 passengers.
3. The vehicle will not be subject to an age restriction for the purposes of licensing.
4. Adequate 3 point seat belt installations must be in place for the equivalent number of passengers and driver.
5. Must provide a certificate of compliance through the Individual Vehicle Approval Scheme (IVA, formerly known as the Single Vehicle Approval Scheme (SVA).
6. Must provide proof of manufacturer's alterations approval for the vehicle
7. Children under 135cm tall or 12 years (whichever they reach first) cannot travel in a sideways facing seat
8. Standard council identification plates must be displayed.
