

## Dunchurch – A Medieval Village

A Neighbourhood Development Plan together with the (RBC) Local Plan sets out the policies against which planning applications are assessed. The Neighbourhood Plan cannot block development that is part of the Local Plan but it can shape and influence where that development can go and what it will look like. This survey, conducted by the “Save Dunchurch Action Group”, is designed to help the Parish Council understand the views, aspirations, wants and needs of local people, not only in relation to the Neighbourhood Plan but more generally too. This is YOUR opportunity to help shape our community. Please tell us what you think.

*Below are a number of statements. Please check ONE box to indicate which most accurately reflects your view on each one.*

	Strongly Agree	Agree	No Opinion	Disagree	Strongly Disagree
<b>Traffic</b>					
Action should be taken to reduce heavy pollution at the Dunchurch crossroads.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Traffic flow should be improved.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In order to reduce noise, vibration and pollution, heavy goods vehicles should be banned from the centre of the village.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A complete ring road around the village is the only solution to the pollution and traffic problems.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
An appropriate site should be developed for car parking close to the centre of the village.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>Housing</b>					
Based on independent projections and reduced immigration figures, too many new builds are being planned.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If houses are to be built, a minimum of 20% should be “affordable”, to allow the next generation to remain in the village.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Brown field and “windfall” sites e.g. the Council yard on Southam Road should be developed first before building on open countryside.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In order to maintain, enhance and preserve the historic character of the village, e.g. Lord John Statue, the Buttercross, the Stocks and the Green, new housing and/or road developments should be designed sympathetically.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>Status of the Village</b>					
The historic character of the village of Dunchurch must be maintained.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
There should be a significant greenfield buffer zone between Dunchurch and Rugby.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is important that Rugby Borough Council’s Local Plan and the Parish Council’s Neighbourhood Plan should reflect the requirements of the local community.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Any overspill housing requirements from Coventry should be built close to the City, e.g. Walsgrave, rather than on farmland or countryside around Grandborough.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Strongly Agree	Agree	No Opinion	Disagree	Strongly Disagree

Cycle paths	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Wildlife	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Improved Broadband and mobile phone connectivity is important.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>The Local Economy</b>					
Rugby Borough Council's Local Plan should reflect the requirements of the local community, including the potential for economic growth.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In view of the above, it is important to create warehousing jobs locally, e.g. Symmetry Park at Thurlaston and on the Lodge Farm site.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
