

DECISION UNDER DELEGATED POWERS

Subject	Organisational Mobile Phone Contract
Officer Requesting Decision	IT & Digital Services Manager
Officer Making the Decision	Chief Officer Digital & Communications
Authority for Decision	Council Constitution-Scheme of Delegations – Each Chief Officer is authorised under Part 2B 2.5 (b) to take any action to maintain the operation and effectiveness of services within their remit.
Recommendation	To proceed with the procurement of the organisational mobile phone contract under the direct award framework RM3808.
Alternatives considered and rejected	A full market review including proposals from other vendors and network providers was considered. However, this would have caused the potential for significant disruption to services to re-provide over 400 mobile connections.
Decision	Approve
Reason	The proposal made under the framework is considered good value and is in line with other provision and costs. The service we have received from the supplier to date has been valued and their proposal ensured no significant increases to the contract cost, ensuring value and continuity for the organisation.
