DISTANCE FROM COVENTRY (BRANDON) STADIUM TO FOOTBALL CLUBS APPROACHED / INDICATED THEY WERE INTERESTED IN ACCESSING THE PROPOSED PITCH AT BRANDON

1, On 28 September it was agreed during the public inquiry that Mr Davies and Mr Hooper would check the distances. This was done outside the inquiry and the following distances from Google Maps are agreed as:

| CLUB / ADDRESS | FASTEST ROUTE (Distance in miles) | SHORTEST ROUTE (Distance in miles) |
|--|--------------------------------------|---------------------------------------|
| St Finbarrs Sports and Social Club Holbrook Lane, Coventry, CV6 4DG | 9.6 miles 17 mins | 7.4 miles 20 mins |
| Christ the King Football Club Winding House Lane, Coventry, CV6 6AP | 9.3 miles 15 mins | 7.8 miles 20 mins |
| Mount Nod Junior Football Club Jardine Crescent, Coventry CV4 9QS | 9.3 miles 19 mins | Fastest is also shortest |
| Alvis Juniors Green Lane, Coventry, CV3 6EG | 6.7 miles 12 mins | 6.1 miles 12 mins |

These are shown in Appendix 1

2. The clubs identified in (CD3.1 Para 3.28) as 'having demand to use a 3G pitch within Brandon' include St Finbarrs, Christ the King and Alvis Juniors, all of which are considerably further than 5 miles.

3. Mr Eady's claim that St Finbarrs was just 4.9 miles away is based on the fact that they currently train on the 3G facility at Blue Coats Church of England School. For reference, the location of Blue Coats School is shown on the St Finbarrs map.

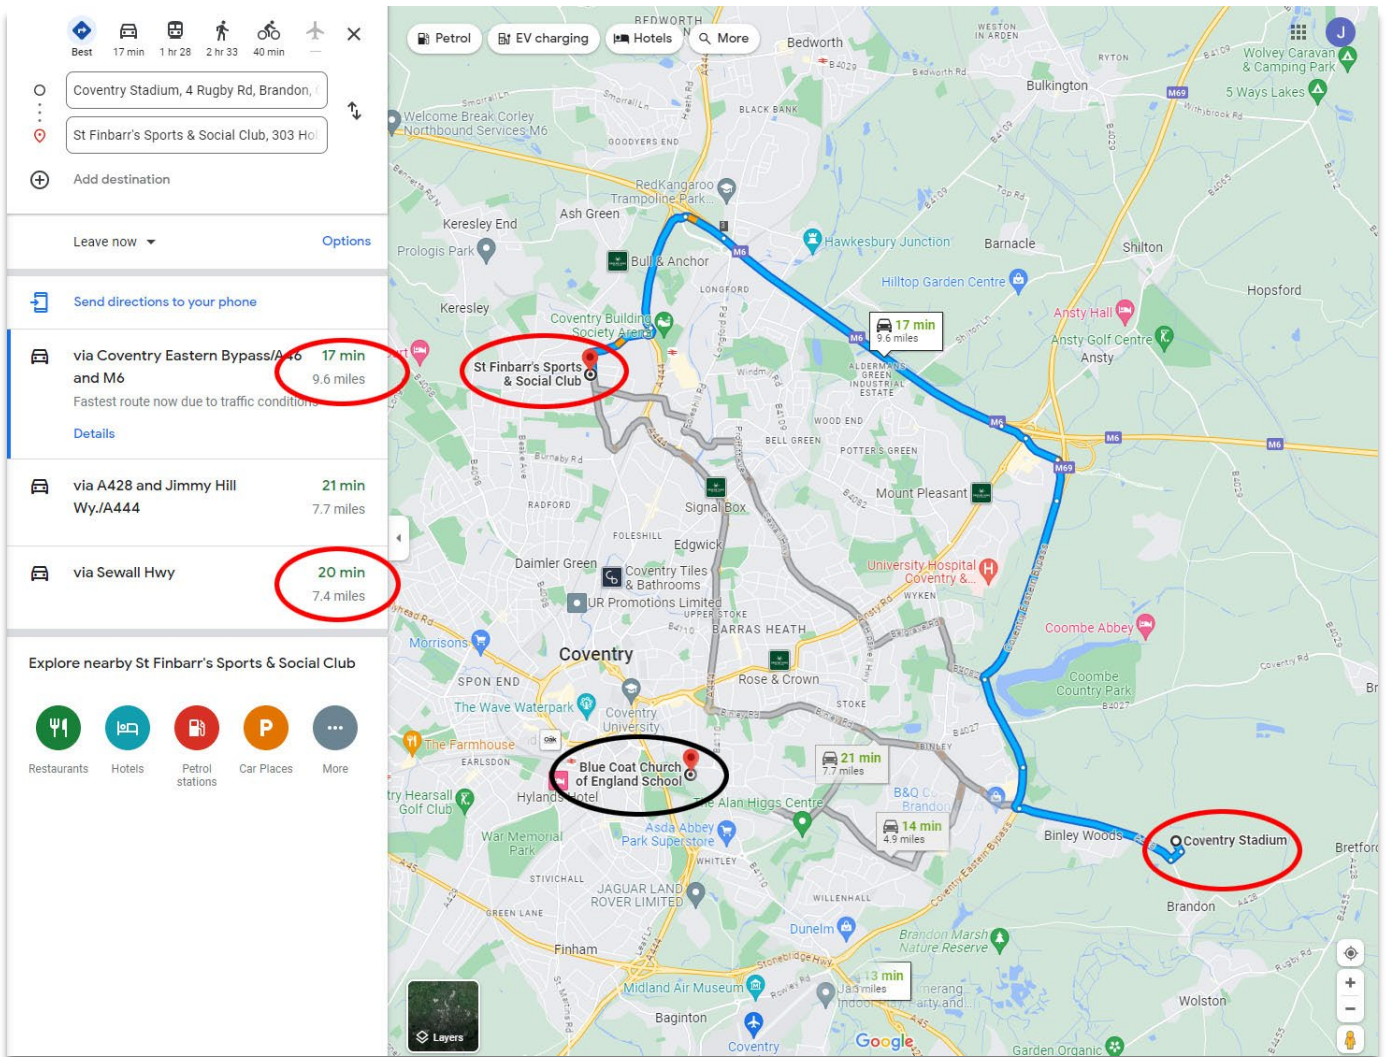

4. SCS believe where a club currently trains is irrelevant and instead, it is the distance from their home base in Holbrook Lane that is the appropriate measure.
